"We've switched over all 3 of our hospitals to Heska. Probably one of the best moves I've ever made as an owner of 35 years. We really have very few problems with the equipment and the support is excellent. With the Reset program, we get what we need every month and the ordering is simple."

Dr. Adam Cohen – Southgate Animal Hospital – Sarasota FL

Estimated Savings: 40%*

"Our expectations were definitely "reset" when we upgraded to Heska. Heska analyzers are accurate, fast and easy to use and their customer service is exceptional. Heska's fair pricing means that we pay 40% less while we get more."

John Maddigan, Practice Owner

Williamette Valley Animal Hospitals – Kaizer OR

Estimated Savings: 40%*

"The Heska Equipment has been accurate and reliable. The savings have helped us give raises, which makes for happier employees. Our customer service rep has been outstanding! He is second to no one. Knowing we have someone to turn to for questions who we can count on has made the switch to Heska more than worth it."

Dean Aldrich, DVM – Flathead Pet Emergency – Kalispell MT

Estimated Savings: \$88,000*

*Savings figures estimated over 6 years. Not combinable with other programs or discounts. 72 Month Reset Contract Term required. 72 Month Terms and Conditions apply.
