STATIC CLINGS

Pet Poison Helpline provides free static window clings* for you to give to your clients. These clings make perfect additions to puppy and kitten packs and are designed to cling to almost any surface without leaving a residue when removed. Cling options include:

1) TOP 10 DOG TOXINS 2) TOP 10 CAT TOXINS

*Please note that we only ship our static clings within the continental United States.

NEWSLETTERS & HANDOUTS

Download, print and distribute our handouts and newsletters to your associates, clients, family or friends! Topics include seasonal warnings, top 10 lists, and currently trending toxins.

WEBINARS

Need CE? Check out our upcoming and previously recorded toxicology and wellness webinars for veterinary professionals. Most webinars are NYSED and RACE-approved, and good for 1 hour of free, CE credit.
